WORK HISTORY

Web Developer / IT Graduate Consultant
Tongston Entrepreneurship Group Holdings, Institute, Media & Ventures
[Abuja Nigeria]
[Remote /Contract]
004/2023 to 112/2023

- ❖ **Built Web Applications:** Developed web applications adhering to best practices in web development, ensuring optimal functionality and user experience.
- ❖ **UI/UX Design Collaboration:** Worked closely with UI/UX Designers to translate wireframes and mock-ups into practical and reusable front-end code using HTML, CSS, and JavaScript.
- ❖ **Integration with Back-end:** Collaborated with back-end developers to seamlessly integrate UI components with APIs and databases, ensuring smooth data flow and application functionality.
- ❖ **Performance Optimization:** Implemented strategies to optimize components for maximum performance across a diverse range of web-capable devices, including both mobile and desktop browsers.
- ❖ **Code Quality:** Wrote high-quality, scalable, and reusable code, following industry standards to enhance code maintainability and project sustainability.
- ❖ **Technical Issue Resolution:** Collaborated with cross-functional teams to identify and resolve complex technical issues, contributing to efficient project workflows.
- ❖ **Attention to Detail:** Demonstrated meticulous attention to detail in all aspects of development, ensuring precision in coding and delivering polished final products.

Web Developer / social media Manger
Coffeycrown Healthcare Services
[Toronto Ontario CA]
[Remote /Contract]
006/2022 to 004/2023

- ❖ **Content Creation:** Produced engaging and relevant content for social media channels, including graphics, text, and multimedia elements, maintaining brand consistency.
- ❖ **Audience Engagement:** Managed and grew social media communities through proactive engagement, responding to comments, messages, and fostering positive interactions.
- ❖ **Analytics and Reporting:** Utilized analytics tools to monitor social media performance, providing regular reports on key metrics and insights for continuous improvement.
- ❖ **Campaign Management:** Led social media campaigns from concept to execution, coordinating efforts with marketing and design teams for maximum impact.
- ❖ **Trend Monitoring:** Stayed informed about social media trends, industry developments, and competitor activities to ensure a proactive and adaptive social media presence

Web Developer / Systems Administrator

BJ Technologies

[Calabar Nigeria]

[Onsite /Contract]

003/2021 to 01/2022

- ❖ Spearheaded the development of innovative and highly responsive web-based user interfaces, ensuring an optimal user experience.
- ❖ Engineered visualizations capable of effectively portraying extensive datasets, contributing to enhanced data comprehension.
- ❖ Collaborated seamlessly with the engineering team, fostering an environment of teamwork and shared achievement.
- ❖ Worked in tandem with the product team and graphic designers, translating conceptual designs into functional and visually appealing interfaces.
- ❖ Committed to continuous learning, focused on understanding and improving user interactions for a more intuitive interface.
- ❖ Led the development of a flexible and meticulously structured front-end architecture, complemented by the design and implementation of supporting APIs.

ACHIEVEMENTS

- ❖ Successfully spearheaded the development of corporate websites for Tongston Ventures and Tongston Holdings, showcasing the companies' core values and a diverse spectrum of expertise. Leveraged Google Security and Google Analytics to ensure robust website security and gather insightful data on user interactions.
- ❖ Implemented SEO strategies resulting in enhanced website visibility, utilizing Google Search Console integration for effective indexing on Google Search. Employed Email.js for streamlined and cost-effective database collection through web forms, reducing overall data acquisition expenses.
- ❖ Notably, introduced interactive components to elevate user experience, fostering ease of access and engagement. These advancements collectively contributed to an impactful online presence, aligning with the companies' strategic goals and ensuring a seamless representation of their values and capabilities.
